JANUARY 2021 CHALLENGE

by Judy Berland

"Utopia, Shangri la, Paradise"

This is an online challenge for SWS members. Submit your images to presidentsierrawatercolor@gmail.com by no later than midnight Thursday, January 7. Voting will open online on the website on Friday the 8th, and winners will be announced on January 16.

What does one of these conjure up for you? Paint it!!!!

Psychologists say: #1- you must face the problem (we did with "Alone or Lonely")

#2- then do something HAPPY. (I hope you all have done this).

Now look forward to the ultimate HAPPY:

A place you love, a place you have never been but know it would be" IT", an event, perfecting a sport, imagining the perfect house or city, or the ultimate painting.

Start Painting for the March 2021 Challenge...

"Abstract Realism" (recognizable but not realistic)

To thank Abstract Realist Barbara Necchi for her October 2020 Zoom Critique:

Paint from your imagination, or take one of your old realistic paintings (OK to break the rules here with an exhibit or challenge entry) and abstract it, but if you choose a magazine photo or a famous painting, you may not be able to exhibit or sell it.

RULES FOR ALL CHALLENGES:

Entries will not be accepted unless they meet the following Challenge rules exactly - NO EXCEPTIONS

1. Do not sign your painting.
2. Entries must fit the theme.
3. Entries must be matted (they do not need to be framed).
4. Entries may only be submitted into one Challenge.
You may not enter a challenge painting into a second Challenge, even if it fits the theme.
5. Entries must be new, having been painted specifically for the Challenge.
6. Entries cannot have been shown in an exhibit prior to the Challenge.

You will be transported to our High Alpine surroundings as Dana portrays the rich blues and greens found in our lakes, framed by the natural surroundings of our Alpine wonderland. New Video Lessons by Tricia Leonard

I have great news! I have finished the first two sections of my video series, "Watermedia and Mixed Media Painting". The first four lessons are basic and cover color theory and values. The second four are intermediate and explore different painting surfaces as well as many techniques to take your painting to the next level. If you have a foundation in color and values, you may want to start with this section. The third section is in production right now and should be available by the end of the month. These sessions help you produce unique, individual work. All lessons tell you what materials are needed. The costs for these lessons are:

First four basic lessons - \$69

Second four intermediate lessons - \$89

Third four advanced lessons - \$119

But, if you order the **whole series** it is \$197

The basic lessons would be great for a child who you want to introduce to painting. These lessons would be appropriate for someone as young as 9 years old, or someone just starting out up to 99 years old. Think about this as a gift during this COVID confinement.

To order, go to www.triciastudio.thinkific.com

The Portrait Society of Reno waits patiently, well almost, for COVID restrictions to ease and we can return to painting. We still are painting but miss working with live models and especially the companionships.

A native Nevadan from Yerington, who grew up in Reno, Kathy was 84 years old and will be very much missed by her family and friends, including Reid and I.
